It isn't much, but we hope it helps... High Point Friends School (High Point, NC)

It gives us great pleasure to send cards for the "Love Your Neighbor" project. Cards are donated by the "Young at Heart" Sunday School class and by our "Mission" Program at Brooksville Christian church. We are a small church with big hearts and pray for those who have lost their life, the injured and those who have lost their homes and belongings. I am sending one of our bulletins from our church. I would like to extend an invitation to anyone from your school to worship with us if they're ever in our neighborhood. We have a great Christian congregation. It is great to read about a school that is teaching the youth of today about our God. I know these cards will be a blessing to the people who have lost everything. God Bless you all. In Him, Faith Vonberg, Brooksville Christian Church (Brooksville, FL)

I just opened my scrip website to order scrip cards for our graduates, and found the link to your school explaining your program for helping your neighbors. My son also attends a Christian School-and we are always fundraising for our school. I so admire you for looking to help your community in this way. I have enclosed gift cards from Walmart that I am ashamed to say have been in my drawer since Christmas, but now I know why God kept them there. Thank you for setting such a fine example for the rest of the Christian schools out there. I will make sure that this goes further into our school. God Bless you, Sara Baughman (Lake Geneva, WI)

A friend was in AL, 5 mi. from tornado's path. She returned to Wisconsin and told us about this project. The students at our school chose this as where they wanted the profit from their middle school dance to go. We hope you find it helpful. Please email or mail a receipt to me. Will show the kids. Thank you and God Bless, Sue Miller, St. Mary Parish School (Menomonee Falls, WI)

God's Peace to you and those you are helping. I hope this small gift card can be used to help a family who was affected by the tornados. Blessings, Monika Moore (Mooresville, NC)

Our thoughts and prayers are with you during these tough times. Your friends in Indiana. (Ft. Wayne, IN)

From Church of Our Savior (Plainville, CT)

These checks represent the proceeds of Episcopal High School of Jacksonville's fund-raising efforts on behalf of those displaced by the recent tornadoes. It is my understanding that the school has also gathered many tangible items which are being shipped to other organizations participating in the relief efforts. Please use your discretion in using [the money] to purchase gift cards to the Walmart/Sam's Club or Target stores closest to the recipients receiving these funds. Very truly yours, Megan Sowell for Ms. Christy Hodges, Upper School Dean of Students (Jacksonville, FL)

Thanks so much for the update. God is really moving in your organization! Thank you for being in His service. Ernie and Cindy Tavares (California, MD)

Cabrini Boy Scout Troop 1052 (Allen Park, MI)

Greetings from Delaware School for the Deaf. We are devastated by the destruction and loss of life that your community has recently experienced due to the tornadoes. Dear Christian Friends, We were able to purchase the gift cards through a collection at our church and the offerings from our preschool chapel in May. We hope these help in some small way to alleviate the sufferings of those affected by the tornado outbreak. Thank you for taking on this project. We will continue to keep you and the tornado victims in our prayers. God's blessings! Nancy Dehnbostel, Director Little Bud Preschool of Christ Lutheran Church (Cincinnati, OH)

Blessings to all. Our prayers are with you. Joan Perez (Warwick, NY)
